Reports:

PTO Treasurer's Report:

- *Run 4 Funds* : Raised only 64 percent of expected funds based on past fundraising.

In the future, PTO will take on a fun run in order to keep more funds within the school.

Possible ideas for next year: Use own DJ at low or no cost, one color t-shirt for entire school (fee \$8), prize tiered system, all classes will participate in the run.

- *Basket Raffle Fundraiser* - ex) one big basket theme for third grade instead of a basket per class

Use In and Out as a fundraiser for the Dance and food option so that families can enjoy dance instead of so many volunteers.

Idea to have an outdoor table to sell tickets so that community in Gleneagle can participate in the food fundraiser as well.
